

THE POWER OF POSITIVE REINFORCEMENT

Join Equus with Millie as she demonstrates how positive reinforcement can be used to build trust, communication, and confidence with horses.

20th August 2026

arrive 6:30, demo starts 7pm

How to get started with +ve R

The basics of positive reinforcement, how to use it and the benefits of using it with horses

Demo

We'll be demonstrating positive reinforcement training with both a riding school horse and one of our livery horses, showing you how behaviours can be shaped through clear communication and well-timed rewards.

Millie

Millie is an Accredited Equine Behaviourist and psychologist who specialises in helping problem horses using positive reinforcement and clicker training. She is highly recommended and you won't want to miss this!
